Honored Speaker and Valued Partner THE PEOPLE'S MEDIC

Tomi and Jasmine focused on heat safety now that the temperature is rising. Heat illness includes heat stroke.

Prepare for being outdoors: hydrate and eat protein before leaving. Have ice packs and plenty of water, especially electrolyte=fortified water. No caffeine. Drink electrolytes before going out.

Recommended intake of water is 11-15 cups per day; 500mls of water per hour.

For hypoglycemia (low blood sugar) give water and honey, or any kind of sugar. This can happen to anyone. Hypoglycemia test kits are available.

If someone is cold and clammy - give them candy or protein snack.

Where salt goes, water flows.

Homemade electrolyte (i.e., Pedialyte) recipe:

1 ltr water

25 g/6 tsp sugar

3g/0.5 tsp salt

Drink a glass of water when you wake up. Drink 2 glasses before leaving house.

Sidewalk Sundays: they go to homeless encampments to do health checks. They have an Amazon wish list for donations, and especially need socks.

For a clothing drive: shop at Savers on 50% Mondays for clothes you can donate.

See attached handouts for more information and donation information.

1. Indivisible Las Vegas holds Fight Fascism Friday every other Friday here in Henderson.
2. DSA and PSL also hold occasional protests in Henderson, usually downtown.
3. Handmaids holds protests also.
4. Check Signal, our page and Mobilize. We will cross promote these events.

Homeless Outreach

- We are in process of setting up coordination with St Timothy's, Shine a Light and looking for more connections.
- TPM Sidewalk Sunday was attended. Our hope is to also have this service in Henderson. Well checks, wound care, hydration, a washing station and of course compassion were served along with a little community clean up on the side.
- If direct volunteerism with this type of outreach is not for you, that's ok. We will need help assembling care bags and procuring supplies as we partner with TPM. A big ask this past Sunday was for Tylenol, alcohol pads and electrolyte packets to add to water.
- Sarena is a vet, asked about unhoused who have dogs. Interested in donating food, supplies for dogs, plus getting Vet Techs she knows who can volunteer to do health checks on dogs.

National Immigration Coalition

- A meeting was attended on Wednesday 7-9. They meet every Wednesday 7-9 at PLAN offices.
- NIC and NDLO and LV Defensa all partner to protect our immigrant community. Volunteer options for us to collaborate range from ICE awareness and how to report it, to participating as a rapid response team member.

NDLON National Day Laborers Organizing Network

- Observed a canvass of distributing red cards and zines to day laborers at Home Depots. The people were appreciative and many took more for their friends and family. There are also canvassing opportunities within our at risk neighborhoods.
- If this type of direct volunteering isn't for you, that's OK. NDLO will need help printing and folding zines.
- Our contact is Naomi and she would love to do a training for us about ICE Awareness. A survey will go out about the format, date, and time.

Social Media: Helen M.

We need people to take over Bluesky and start a TikTok account.

Voter Education Committee: Jen I

- **Project 2025 Voter Education and NV ballot initiative question 6 (Reproductive Rights).** We are still looking for a volunteer to write up scannable and paper version informational document for Project 2025 Heritage Foundation education and our Reproductive Rights Question 6 coming up for a second vote to enshrine in NV constitution.
- Jen showed us custom We The People Henderson baseball caps. Contact her if you want to order. If enough are interested, we might could get a group discount.
- Vote early if voting by mail.
- SAVE Act didn't pass Senate, but not yet dead. Jen I reached out to Cisco Aguilar, NV Secretary of State, to ask what his plan is if it passes, and he blew her off.

Get Out the Vote Actions

- Volunteer Poll monitors for ACLU of Nevada are still needed. The information is at check in table
- VOTE411.org is up and available for candidate information. Sample copy is printed for viewing at front desk.
